

VIVERAE CORPORATE FACT SHEET

Viverae® is a workplace wellness technology company based in Dallas, Texas. Rooted in care and focused on reducing health risks, our innovative application empowers employers to create cultures of health and well-being. We bring clarity. We inspire. We support.

VIVERAE ROOTS

Founded in 2003 as Elite Wellness, the company began as an optimistic startup with one client and a dozen employees. In 2008, the company was rebranded and renamed Viverae. This shift began a process to redefine the company culture and develop its proprietary wellness software, propelling unprecedented growth. Viverae continued to grace the lists of best places to work and fastest growing companies, evolving into a leader in workplace wellness technology with over 300 employees, more than 600 clients, and 1.2 million members.
